To Our Valued Customers,

In our ongoing effort to keep you apprised of current market conditions we would like to provide you with the following information on material price increases that we foresee for the Las Vegas market.

Drywall	20%	01/01/2017
Joint compound and tape	5%	01/01/2017
Cornerbead	10%	01/01/2017
Insulation	8%	01/01/2017

In addition there appears to be a movement in Washington DC to place tariffs against Vietnamese steel imports similar to the ones placed on China last year and the domestic mills are responding by announcing steel increases for January. Currently the manufacturers are adding 10% to all cold rolled steel framing products for January 1<sup>st</sup> 2017.

We will keep you updated as we know more.

Respectfully,  
Your Rew Materials Team.
